We have received a planning application for the development described above.

To assist the Council in arriving at a decision I would like your views on the proposal. The application can be viewed / downloaded / printed from our website at:

<https://publicaccess.cravenc.gov.uk/online-applications/applicationDetails.do?activeTab=summary&keyVal=QBPWIPFKGPL00>

To avoid delay in dealing with the application, if I have not received a reply by 6th October 2020 I will assume that you have no comments. The Planning Officer's report will then be prepared and it may not be possible to consider observations submitted after this date.

If you do make comments or objections regarding the application, these will be taken into account in the Council's consideration of the planning application. All comments received will be a matter of public record and will be available to applicants and their agents and will be viewable on the internet.

Decisions are normally made within six to eight weeks (11-13 weeks for major planning applications). If you wish to find out the decision or check the progress of a planning application you can access the Council's web site <https://publicaccess.cravenc.gov.uk/online-applications>.

Comments received at the application stage are those that will be taken forward if an appeal against an application is subsequently made.
